WELL

PASTOR HENNIE VAN DER MERWE

30 June 2021

Pre-Prayer about 10-20 min before cell for the guidance and flow of the Holy Spirit in everyone's life and that all and more will come to Homecell tonight and have a **touch of God**.

WELCOME

Such an honour and blessing to have everyone here tonight at our Homecell. We really believe God to touch our city through this Homecell where we **LOVE, CARE, PRAY and EVANGILIZE** our community together. Make sure everyone is welcomed, comfortable, introduced and already has some coffee, tea, water and koeksisters :-)

WORSHIP

Prepare **CRC Band** - Praise and Worship for the Homecell gathering (1 Praise & 2 Worship songs).

WORD

Outline of Sundays Sermon (Read through the following and as you are led read one or two of these scriptures but use as reference in discussions from members in cell tonight).

2 Kings 4:8-37

- In the midst of her battles, the Shunammite woman kept declaring that it is well with her soul.
- She prepared a place for God in her heart and ended up receiving the miracle she needed.
- She had a well in her soul.

God will always give you what you need, for he knows our heart desires.

Psalms 37:4

Your Heart follows your Treasure.

What is your Well.

Wells are a place of protection, provision, an oasis where life is drawn from, and should not be contaminated, or life stop.

❖ Wells are symbolic of:

- **Gods provision – Deuteronomy 6:10-11, Psalms 78:15-16, Psalms 105:41**
- **Faithfulness and Obedience – Jeremiah 14:3, Jeremiah 14:10, Jeremiah 2:13, Proverbs 25:26, Genesis 26:1-25**
- **Deep calling unto deep – Psalms 42:7**
- **THE Church is also a WELL. A place where we draw living waters, a place of rest and restoration:**

Prayer - Scripture - Time with God - Time with the people of God.

Where you draw from, and how fresh is the water in your own well...
